

always on call

We are one of Canada's premier suppliers of life safety service.

- We offer a full line of security products to meet your security needs.
- Fine tune your security application by having Edwards Sprinkler adjust device parameters like capture range and viewing angles of PIR motion detectors.
- We can expand your security system by adding security devices on the same loop as your existing smoke detectors and pull stations.
- Whatever the sensor technology, we can quickly apply any security products onto our life safety platform. Technologies like Antimasking PIR Motions, Microwave, Glassbreak, Radar, and Magnetic Switches.
- We can inspect and test Signature Intrusion devices at the same time as your annual fire alarm inspection, saving time and money.
- Intrusion Detection can be monitored via our central monitoring services.
