the big picture

we are ideally located to offer you
national life safety and property protection

We are one of the largest suppliers of life safety and property protection. Together with GE Security, our Strategic Partner, we have offices across Canada, which means you can deal with one vendor regardless of where your locations are situated.

Our licensed sprinkler-fitters and service technicians verify system integrity and ensure compliance with current National fire protection code and standards. In emergencies, we've got you covered with 24-hour emergency service, 7 days a week.

Need a life safety system upgrade in one of your buildings? No problem; we have the right blend of products and people to minimize disruption.
